9) I do not think ~~the suggestion of~~ that a power of attorney by the Chief Secy can be given so as ~~can be arranged~~ to enable the management of the Mutt properties situate outside the State being conducted by the Government agent, ~~can be accepted~~. The well recognised principle of law in such matters is as stated in rule 150 of Dicey's Conflict of Laws and that is that "all rights over, or in relation to an immoveable are governed by the law of the Country where the immoveable is situate (lex situs)". This principle cuts down all attempts to introduce all foreign laws "whether they respect persons or things or give or withhold the capacity to acquire or to dispose of immoveable property". It follows therefore that the right to manage such properties of the Mutt ~~as~~ as are situate outside Mysore cannot be derived from any local law in force in Mysore, such as the Religious & charitable Endowments Regulation, 1927. Neither Sec 25 nor Sec 28 can therefore help Govt in claiming a right to manage ~~the~~ the Mutt properties situate in British India or other Indian states. It is on account of this that

NOTE—Contn Sheet.

usually a power of attorney is taken from the Mathadhipati in such cases.

10) A power of attorney given by a Mathadhipati of course lapses by his death, because an agency is ~~always~~ generally determined by the death of the principal. But under Sec 209 of the Indian Contract Act, the agent even after the death of the principal is bound to take, on behalf of the representatives of his late principal, all reasonable steps for the protection and preservation of the interests entrusted to him. Under this, I think the Govt agent may continue to look after the estates [illegible] outside Mysore pending the appointment of a Successor to the late Swamiji and the several British & Indian Administrations may be apprised of the altered conditions as suggested by the Rev Comr.

June 1939 refers to the P.A.D is a mistake: even in the enclosed Srimukha this clearly stated that the management by Govt may continued till the end of January 1939. This is as per Govt no 946-49/ Mng 157-35-28 of 11.1.1936. A

The previous Swamiji at whose instance the above said order of 11.1.36 was issued passed away on 10th Feb 1936 & the Peeta was vacant till the 24th of the same month, as the deceased Swamiji had failed to nominate his successor. On 24th of last month the present Swamiji was installed on the Peeta till which date the management by Govt was under Sec 25(ii) of the Regn as per Govt no 1473-74 of 23.4.36. Subject.— Arrangements for the management of the properties belonging to the Sri Kudli Sringeri Mutt.

1. In my Final Note dated the 28th April 1936, I submitted, for His Highness' gracious perusal, the papers relating to the succession of His Holiness Sri Sachidananda Sankara Bharati Swamigalu to the peeta of the Kudli Sringeri Mutt.

2. On the demise of the previous Swamigalu, the arrangements which had been made with his consent under Section 25 (1) of the Mysore Religious and Charitable Institutions Regulation for the management of the properties belonging to the Mutt ceased to be in force, and as the Swamigalu had died without appointing a successor, orders had to be issued continuing the management under Section 25 (2) of the Regulation.

3. Orders were also issued directing that the Government Agent who was hitherto looking after the properties of the Mutt outside the State, may continue to do so pending the appointment of a successor to the Peeta, and the Residency was addressed to move the several administrations concerned to continue help to the Government Agent as previously. A Srimukha has since been received from the present Swamigalu confirming the arrangements ordered by Government in January 1936 for the management of the Mutt properties being vested in Government for a period of three years till the end of January 1939, and the Muzrai Commissioner proposes that the management may continue as requested. I am of opinion that the arrangements have to be continued, and the Dewan agrees.

ws) The papers are submitted for His Highness' graciou perusal and approval to the proposal.

SIR,

In inviting kind reference to letter No. H. 1038/35-36 dated the 10th April 1936 addressed to the Chief Secretary to Government by the Deputy Commissioner, Mysore District, intimating the demise of Sri Vidyabhinava Valukeswara Bharathi Swamigalu of the Sri Kudli Sringeri Matha at 8.45 A.M., on the 10th instant, without appointing a successor, I have the honour to state that the management of the Matha properties had been assumed by Government under Section 25 (i) of the Mysore Religious and Charitable Institutions Regulation. Now that the Swamigalu has died without appointing a successor the position has changed and the management by Government has to be continued under Section 25 (ii) of the Regulation. I request therefore that pending the appointment of a successor, modified orders assuming the management under the latter provision of the Regulation may kindly be caused to be issued early.

2. The management of the properties situated outside the State is being conducted by a Government Agent who holds a power of attorney from the Muzrai Commissioner and the latter derived his authority in pursuance of a power of attorney executed in his favour by the Swamigalu, since deceased. Now that the management continues to be vested in Government until a successo is appointed and as Government are competent to exercise all the powers possessed by the Mathadipathi under Section 28 of the Regulation, it seems to me that a fresh power of attorney in
